### To Whom It May Concern,

The Riverside Police Officers' Association would like to proudly announce its endorsement of Gary Jeandron for Riverside County Supervisor in the 4<sup>th</sup> District. He was a police officer for the City of Palm Springs for over 30 years, rising through the ranks to be the Chief of Police until 2008.

Jeandron was elected to serve on the Palm Springs Unified School Board of Directors and places a large emphasis on education. He has a Masters Degree in Marriage, Family Therapy and is a practicing therapist. As a Chief and School Board member, he has managed multi-million dollar budgets, demonstrated leadership and common sense decision-making.

In addition to public safety and education concerns, Gary Jeandron wants to work with the Desert's business community to help it prosper and grow. He wants to work toward bringing jobs to the Desert and all of Riverside County. Jeandron already earned a police retirement, has promised to work for \$1 during his first year as County Supervisor, and will not accept a secondary pension from the position.

Jeandron has a life's commitment of public service to the communities of the Desert. Please join us, the Riverside Sheriff's Association, Indio Police Officers Association, Palm Springs Police Officers Association, Cathedral City Police Officers Association, and many others in their strong support for Gary Jeandron.

Sincerely,

*Kevin Townsend*
