To Whom It May Concern,

August, 2009

The Riverside Police Officers' Association is proud to announce our endorsement of Ron Loveridge for mayor of the City of Riverside. Mayor Loveridge has served the city for three decades. His understanding of the city, how it relates to his position as mayor, and years of developing personal relationships should help to carry this city through these difficult times. We look to Mayor Loveridge for hard work, leadership, and facilitating positive progress in economic development, public safety, and transportation.

Sincerely,

Kevin Townsend
Political Action Committee Chair
